

# Town of Milford

Protecting our drinking water starts with proper disposal of household hazardous waste!

Certain household materials like paints, chemicals, automotive fluids, and batteries, can contaminate soil and groundwater.

**Keep these materials properly contained until disposal and out of the regular trash!**

Hazardous materials can be safely disposed of through the:

## Kosciusko County Solid Waste Management District

- Automotive fluids
- Household chemicals + cleaners
- Batteries
- Fertilizers & weed killers
- Fluorescent bulbs
- Paints, aerosols, and solvents
- Electronics (TVs, computers, printers)
- Propane tanks + compressed gas cylinders
- Sharps and medical waste
- Mercury-containing items

All electronics, chemicals, mercury products, and paint are currently accepted **free of charge for Kosciusko County residents!** Disposal fees may apply for other items based on weight.

Items must be brought to the KC Recycling Depot during operating hours.

**Kosciusko County Recycling Depot**  
220 South Union Street Warsaw, IN 46580  
Phone: 574.372.3087
